

# Day In The Life Small Business Owner

Meet Lynn, owner of a fast-growing business with two office locations.

10:00  
am

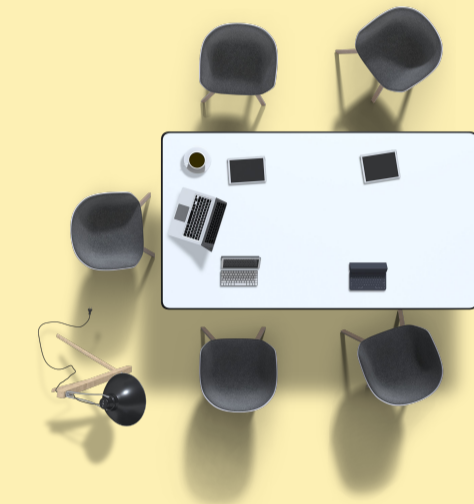

Greets the new sales hire at the coffee maker.

Uses Zoom Team Chat to introduce the new sales hire to the company.

1:15  
pm

9:00  
am

Hosts a hybrid staff meeting in the office conference room, which seamlessly includes employees from the second office location thanks to Zoom Rooms.

Uses Zoom Meetings for a check in with a contractor who lives in another region.

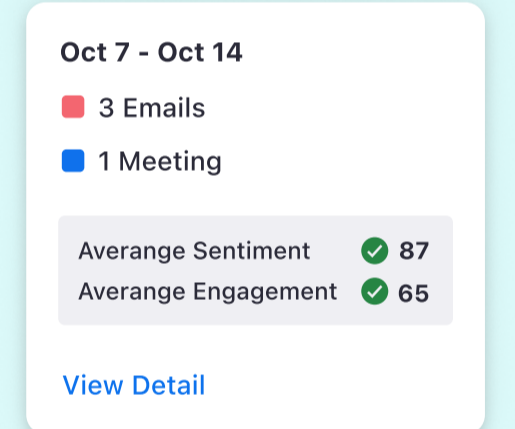

2:00  
pm

8:30  
am

While commuting, takes a call using Zoom Phone over her car's phone system.

Jumps into Zoom Revenue Accelerator to review recent sales calls, and learns that several customers are looking for an additional feature. Uses Zoom Team Chat to relay this feedback to the product designer.

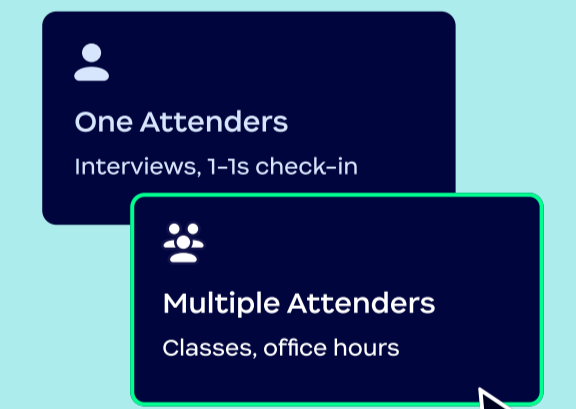

3:00  
pm

8:00  
am

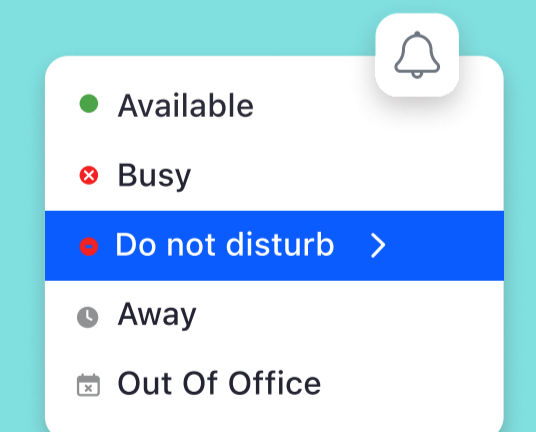

Starts the day catching up on anything urgent on Zoom Team Chat over a cup of coffee.

Shares Zoom Scheduler booking link with a prospective customer over email to get a meeting on the books.

4:00  
pm

Back home, Lynn is confident that her business can hum along without missing anything thanks to Zoom - so her Zoom Phone business hours end, routing any new calls to voicemail, and she sets Do Not Disturb status on Zoom Team Chat so she can focus on family dinner time.

6:00  
pm

## Take your small business to the next level with Zoom.
